Re: Visitor Parking

Date: 8/15/14

Please ensure that your campus is providing adequate VISITOR PARKING in the front area closest to your main entry. Please advise your campus staff and teachers to park in their designated parking areas. It is recommended that elementary campuses provide 6-8 parking slots and secondary campuses provide at least 8-12 slots up front closest to the main campus entry.

This effort will help us ensure that visitors use our campus main entrance. This will help us enforce visitor management procedures and help us provide a safer school environment.

If you have any questions or concerns about this, please advise.
